

# Math, Physics, and Statistics Fellowship

---

All incoming students pursuing a degree in mathematics, applied mathematics, or physics are eligible to apply for the Mathematics, Physics, and Statistics (MPS) Fellowship offered by the Department of Computer Science, Engineering, Mathematics, Physics, and Statistics (<https://www.apu.edu/clas/mathphysics/>). The goals of the MPS Fellowship program are to help students develop a sense of belonging in the community, to connect their personal faith and values to their vocation in math or physics, to provide professional development opportunities, and to provide financial support.

## Yearly Amount

The MPS Fellowship program consists of two parts. The Ignite Fellowship is open to first-year students and transfer students, and Ignite Fellows receive a scholarship of \$1,000 for 1 year. Participants in the Ignite Fellowship are eligible to apply during their first year at APU for the Engage Fellowship. The department selects two Engage Fellows per year, and Engage Fellows receive a scholarship of \$2,000 per year for 3 years, or until they graduate from APU. On rare occasions, the amount originally offered may be reduced or eliminated due to federal, state, and/or institutional policies; see the Stacking Financial Aid (<http://catalog.apu.edu/financial/undergraduate/financial-aid/policies/#stacking-financial-aid>) policy for more information on possible restrictions.

## How to Apply

Apply online. ([https://docs.google.com/forms/d/e/1FAIpQLSeDREJ-dO4WDEinI\\_pbJoA9D6j60o47k4IGLSNCCDAgq1zWPg/viewform/](https://docs.google.com/forms/d/e/1FAIpQLSeDREJ-dO4WDEinI_pbJoA9D6j60o47k4IGLSNCCDAgq1zWPg/viewform/))

## Disbursement

Once the student's financial aid file is complete, the award usually disburses into the student's APU account during the first month of the semester (first half of the award in fall, the second half in spring), or later depending on when documentation is received.

## Renewability

See the Yearly Amount section above.

## To Retain Eligibility

1. The student must maintain Satisfactory Academic Progress (<http://catalog.apu.edu/financial/undergraduate/financial-aid/policies/#sap>).
2. The student must meet the requirements outlined in the Math, Physics, and Statistics Fellowship program guidelines ([https://docs.google.com/document/d/1Gciv\\_GmH9obQR8NOpoKpr5BxQk7tD-YwC-teiplyOns/edit?usp=sharing](https://docs.google.com/document/d/1Gciv_GmH9obQR8NOpoKpr5BxQk7tD-YwC-teiplyOns/edit?usp=sharing)).
