Azusa Pacific University encourages students to have their own computers for coursework, collaboration, communication, searching online library information resources, and internet access. Students will find that the computer is an important tool for their education experience.

Acknowledging the importance of computing as an integrated part of the learning process, the IMT Computer Store offers great deals on Apple products as well as peripherals for Mac and PC. For more information, visit the store website (http://computerstore.apu.edu), call (626) 815-5096, or email the staff at computerstore@apu.edu.

**Guidelines**

Students may use the following as a guide for *minimum* standards when purchasing a computer for use at APU. For most students, a laptop/notebook is recommended over a desktop.

**Apple**

Generally, any MacBook Air or MacBook Pro sold in the last 2-3 years will be adequate for use on campus. Students purchasing a new computer should consider the following minimum specifications:

- Intel Core i3, 2.4 GHz Processor
- 4 GB of RAM
- 802.11n wireless
- Webcam
- OS X 10.9 or newer

**Windows PC**

- Intel Core i3, 2.4 GHz Processor
- 4 GB of RAM
- 802.11n wireless
- Webcam
- Windows 7 or newer

**Repair Center**

IMT provides computer repair services to students through the IMT Repair Center located at the IMT Support Center (http://support.apu.edu) on East Campus.

The IMT Repair Center assists students with hardware and software issues they may experience with their personal computers, and can fix most smartphone and tablet hardware problems. IMT’s certified technicians will repair your computer, smartphone, or tablet at significantly lower cost than other computer repair depots.

The IMT Repair Center is also an Apple Authorized Service Provider and can repair any warranted Apple laptop, smartphone, or tablet with the same service offered at any Apple Store, oftentimes at no cost to the student.
