## Mission Statement

The Master of Arts in Pastoral Studies (MAPS) (<https://www.apu.edu/seminary/programs/masters-in-pastoral-studies>) program prepares men and women for a specialized field of church ministry through a program of study comprising 48 units in biblical, theological, and ministerial studies. An important feature of the program is the intentional integration of academic and experiential components. For example, students must engage in some form of supervised ministry during their degree program. Students concentrate in one area of ministry: church leadership and development, urban studies, youth ministry, or general electives.

## Exceptions to Admission Requirements

A limited number of applicants who do not have baccalaureate degrees but have extensive ministerial experience may be considered for admission. For a description of the standards governing this exception, contact the Azusa Pacific Seminary dean. Students admitted under this exception must obtain a *B* or better in their first 12 units of coursework.

## Program Learning Outcomes

The program helps students who have a specific call to ministry develop a practical theology in church leadership. The program also prepares graduates to:

PLO 1: Model a holy life through spiritual disciplines reflecting a Wesleyan heritage of faith and love.

PLO 2: Interpret Scripture with reverent criticism, theological insight, and constructive imagination, beginning with the inductive method of Bible study, for the edification of the Church.

PLO 3: Think theologically through the Wesleyan quadrilateral (Scripture, Church tradition, reason, and experience) in a manner that is faithful to the past and responsive to the present.

PLO 4: Develop competence in the pastoral responsibilities of teaching, leadership, and pastoral care.

PLO 5: Analyze various cultural constructs and global issues in order to provide transformational leadership for the church.

PLO 6: Develop competency in design, application, and evaluation of a specialized ministry.

## Program of Studies

The Master of Arts in Pastoral Studies requires 48 units of coursework: 28 units of core courses, 12 units in a selected ministry concentration, 4 units of Mentored Ministry, and 4 units of a Capstone Project. A 12-unit concentration is required, to be selected from Church Leadership and Development, Urban Studies, Youth Ministry, or General Electives.
