

# Classification of Professional Students

---

A full-time professional student may be defined as one taking a minimum academic load of 12 units each semester. Azusa Pacific University uses the following system, based on total units earned, for student classification:

|           |                   |
|-----------|-------------------|
| Freshman  | 0-29 units        |
| Sophomore | at least 30 units |
| Junior    | at least 60 units |
| Senior    | at least 90 units |

Senior classification does not ensure graduation; all requirements for a degree must be satisfactorily met in order to graduate.

Freshmen and sophomores have lower-division standing, juniors and seniors have upper-division standing.
