

# Auditing

---

A qualified student may apply for permission to audit a course. The student must meet the regular university entrance requirements and pay the audit per-unit tuition rate. Students may not change their audit classification to obtain credit after the Last Day to Add or Drop Classes, or change from credit to audit after the Last Day to Withdraw from Classes. See the Academic Calendar (<https://www.apu.edu/calendar/academic/>) for dates.

Students must submit an Enrollment Activity Form (<https://www.apu.edu/graduateprofessionalcenter/registrar/forms/>) to the Office of the Registrar (<https://www.apu.edu/graduateprofessionalcenter/registrar/>) in order to enroll in a course for audit. The word AUDIT must be clearly written in the middle of the chart section of the Enrollment Activity Form and approval from the department offering the course must be indicated.
