

Tutoring Center

Tutoring

Tutoring is available at no additional charge for numerous academic subjects. Specific subject areas change each semester based on student demand and the availability of qualified peer tutors.

The Tutoring Center schedules appointments for one-on-one sessions as well as small-group tutoring.

Tutoring empowers students to become more confident, effective, and independent learners. To learn more, visit the center's Tutoring Center website (<https://sites.google.com/apu.edu/tutoring/welcome/?authuser=0>). You may also schedule a tutoring appointment online (<https://tutortrac.apu.edu/>) (does not always work with Chrome) or contact us at tutoring@apu.edu or (626) 344-2978.

Supplemental Instruction (SI)

Supplemental Instruction (SI) helps students in difficult courses master course content while they develop and integrate effective learning and study strategies. SI leaders attend course lectures, prepare for sessions, meet with faculty, and conduct two out-of-class study sessions per week. Courses designated for SI support are announced in class at the beginning of each semester. Learn more about SI sessions by contacting the Tutoring Center at tutoring@apu.edu or (626) 344-2978. SI session times for specific courses can be found on the Supplemental Instruction page (<https://sites.google.com/apu.edu/tutoring/supplemental-instruction/?authuser=0>).
