International Students and Scholars (<http://www.apu.edu/international/scholars/>) (ISS) provides relevant services to students and scholars from around the world. Services include a mandatory Global Student Orientation (<https://www.apu.edu/international/scholars/new-students/>), immigration services, and cross-cultural support services. Numerous activities are provided throughout the year to introduce students to Southern California.

In addition, ISS promotes international understanding through specialized training and international awareness festivities on campus—for example, ISS cosponsors annual events such as Global Expressions, World Night Market, and Welcome events.

Visit the International Center website (<https://www.apu.edu/international/>) for more-detailed information.
