

Student Government Association

Azusa Pacific University's Student Government Association (SGA) (<https://www.apu.edu/sga/about/>) is a proactive student government comprising student representatives committed to the purpose of upholding the university's Four Cornerstones (<https://www.apu.edu/believe/#cornerstones>), bridging the gap between students and the administration, and improving the spiritual, academic, and social well-being of the student body through God-centered leadership and service.

SGA is composed of 6 executive board members (president, vice president, controller, speaker of the house, director of communication, and director of internal affairs), 8 senators, 2 strategists, and 5 representatives. Under the direction of the SGA president, the executive board oversees the daily operation of the association and mobilizes the student body to engage with the campus community.
