## Military Tuition Assistance (TA)

Military Tuition Assistance (TA) (<https://www.military.com/education/money-for-school/tuition-assistance-ta-program-overview.html>) is a benefit paid to eligible members of the Army, Navy, Marines, Air Force, and Coast Guard. Congress has given each service the ability to pay up to 100% for the tuition expenses of its members.

## Reserve Officer Training Corps (ROTC)

Azusa Pacific's Army ROTC (<http://catalog.apu.edu/student-resources/undergraduate/academic-resources/rotc/>) and Air Force ROTC (<http://catalog.apu.edu/student-resources/undergraduate/academic-resources/afrotc/>) programs combine the military strengths of discipline and leadership with the university's faith-based learning community, deepening and enhancing the college experience. Cadets learn leadership skills that prepare them to join the military or civilian workforce and equip them to succeed in the most challenging circumstances. The programs bring together a tight-knit, welcoming group of scholar-leaders who value service and dedication to their country. ROTC cadets at APU regularly hold the top leadership positions in the multischool ROTC battalion that encompasses institutions throughout the Inland Empire.
