Withdrawal from Courses

A student may withdraw from classes without grade penalty at any time after the Drop Period (http://catalog.apu.edu/undergraduate/academic-policies/registering-classes/add-drop-period) through the 10th week of the semester. The student must secure the Class Withdrawal form (http://www.apu.edu/onestop/academic/forms) from One Stop | Undergraduate Enrollment Services Center (http://www.apu.edu/onestop) and obtain a signature from the professor. The student will receive a W (withdrawal) grade in that course. A student who never attends or stops attending a course for which he or she is officially registered without following the accepted procedures will receive an F or FN (failure, nonattending) grade in that course.
