Located in Azusa Pacific's Turner Campus Center are the 1899 Dining Hall, Banquet Services, Mail Services – East, Mexicali Grill, Cougars' Den Café, Paws 'N Go, and the One Card Office, where students may purchase meal plans, add Cougar Bucks to their ID cards, or replace an ID card.

In addition, the Student Government Association (http://catalog.apu.edu/undergraduate/student-life/student-government-association) functions as a part of the campus center. The SGA’s ability to influence the APU community is derived from its representation of student opinion, and its effectiveness lies in its ability to turn that representation into service. The SGA administrative council provides a laboratory for citizenship, social responsibility, and leadership.
