Higher education is one of the most important investments an individual can make. Cost should not be the only determining factor in selecting the appropriate university, but having a clear understanding of the expense involved is an integral part of making a well-informed choice.

One Stop | Student Financial Services (http://www.apu.edu/onestop/finances) assists students in answering questions related to financial aid and student accounts. Call (626) 815-2020 or email onestop@apu.edu with any questions.
