Federal Work Study (FWS)

Federal Work Study enables students to earn part of their financial aid award through employment. Federal regulations allow the university to offer qualified students a certain amount of college work-study earnings.

This money is not gift aid, but is an opportunity for students to work and have part of their salary paid by the federal government.

Any student participating in the FWS program will be paid directly through the on-campus student payroll. Base-rate pay on campus is minimum wage. Individual earnings are not credited to the student’s APU account, but paid directly to the student. FWS earnings are taxable.

Appeals and Endorsers

If denied a PLUS Loan, parents may:
