English Minor

21 units

The lower-division core requirements are the same for minors and majors (literature and writing concentrations (http://catalog.apu.edu/undergraduate/liberal-arts-sciences/english/english-major)). Upper-division courses for the minor should be chosen in consultation with an English advisor and total 15 units, of which 3 units may be a 200-level course. English minors must maintain a cumulative grade-point average of 2.0 or higher in all courses credited toward their minor.
