Traditional BA in Allied Health

66 units

All of the following requirements must be met to continue as an allied health, biological sciences, biochemistry, or chemistry major. A student's failure to maintain these requirements will result in him or her being dropped from the major. Reentry to the major is by petition only.

- Must maintain a minimum cumulative GPA of 2.0 in all biology, chemistry, biochemistry, math, and physics courses required for the major.
- Must complete each course required for the major with a C- or higher for the course to meet a degree requirement in the Department of Biology and Chemistry.
- Any single course within the major can be taken only two times at APU; students must change to a major outside the department after two unsuccessful (below C-) attempts in a single required course.
- Only two courses total within the major can be repeated; students must change to a major outside the department after unsuccessful (below C-) attempts in any three required courses.

Total Units**66**

¹ Meets the General Education Natural Sciences requirement.

² BIOL 220 is recommended for students interested in nursing careers. BIOL 226 is recommended for students interested in physical therapy careers.

³ BIOL 152 meets this requirement if taken at APU.

⁴ Meets the General Education Integrative and Applied Learning requirement.

⁵ Meets the General Education Writing 3 requirement.

⁶ This course may be waived with an appropriate Advanced Placement test score.

⁷ Meets the General Education Quantitative Literacy requirement.

⁸ MATH 130 does not meet the math prerequisite for BIOL 151 or CHEM 151. MATH 95, an ALEKS score of 45, or equivalent is the math prerequisite for BIOL 151; MATH 110 (with a B-), an ALEKS score of 65, or equivalent is the math prerequisite for CHEM 151.

⁹ Meets the General Education Social Sciences requirement.

¹⁰ Recommended for students interested in nursing careers.

¹¹ CHEM 251, CHEM 261, CHEM 252, CHEM 262, and BIOC 360 taken together meet the requirements of BA elective CHEM 240 and an additional BA elective from either elective group.

¹² Recommended for students interested in physical therapy careers.

¹³ Up to 3 units combined of BIOL 311, BIOL 312, BIOL 313, BIOL 390, BIOL 394, or BIOL 395 may count toward major elective units.

¹⁴ Meets the General Education Intercultural Competence requirement.
