

# BA in Biblical Studies

39 units

The biblical studies major (<https://www.apu.edu/theology/programs/biblical-studies-major/>) combines a broad background in philosophy, Christian theology, and ministry with a solid foundation in the Bible. Graduates are furnished with a biblical basis for Christian ministry and evangelism and are prepared for graduate study in the Bible and Christian theology.

## Career Opportunities

This major provides students with tools for continued education at a seminary or university. Graduates have also assumed positions in churches and Christian organizations where knowledge and understanding of the Scriptures are essential.

## Requirements

Core requirements for the biblical studies major may double-count with course requirements for the biblical hermeneutics and/or biblical archaeology concentration. A minimum 2.5 cumulative GPA is required in all courses for the major.

## THEO/UBBL Double Major Guidelines

Should a student choose to double major in theology and biblical studies, he/she must take 3 additional upper-division courses in **a single discipline** of either THEO or UBBL (THEO 4XX or UBBL 3XX/4XX) to meet the guidelines for double majors (<http://catalog.apu.edu/policies-procedures/undergraduate/major-minor-policies/>).

**NOTE: Only one correspondence course may be counted toward the major or minor and only with permission from the department.**
