

School of Theology

The School of Theology (<https://www.apu.edu/theology/>) offers courses of study that encourage the search for truth about God, human existence in relationship to God, and the world as God's creation. Students are guided in this search through an analysis of the Christian Scriptures, historical and contemporary statements of Christian belief, human experience of God and the world, and rational reflections on the nature of reality by great thinkers past and present. The goal of this study is to prepare men and women for service to God, as either lay or professional ministers in His Kingdom. Academic study is therefore balanced with a concern for individual involvement in practical ministry.

Each major course of study builds on the General Education program's Biblical, Theological, and Philosophical Formation requirement. Transfer students take the number of units required by the registrar. Courses are selected from the list of core courses for General Education in consultation with an advisor. All students in the School of Theology must maintain a minimum 2.5 cumulative grade-point average in all courses for their major.

In general, correspondence courses are not accepted as fulfillment of religion or philosophy requirements. A student may, however, petition to have 3 correspondence units count toward his/her major or minor upon department approval. The course(s) must match existing courses, and the student may be asked to pass an exam. Double majors require 24 units that are distinctive to one major, and 18 units must be upper division.
