

BM in Music Education (Pre-Teacher Certification)

89 units

The music education (pre-teacher certification) major (<https://www.apu.edu/music/programs/music-education-major/>) provides future vocal, instrumental, and general music teachers the necessary skills, knowledge, and appropriate methodologies for success at all levels of music education within California. The California Commission on Teacher Credentialing for public schools endorses this specialization. Certification for teaching music in California public schools requires additional coursework in the School of Education (see the Division of Teacher Education (<http://catalog.apu.edu/academics/school-education/teacher-education/>) section in the catalog for specific requirements), including clinical practice under supervision of a master teacher from the School of Music.

All music education students are required to pass a sophomore music education proficiency examination, which includes a solo performance on their main applied instrument or voice, an interview, and a review of their performance in the aural skills class, including individual critiques from the instructors of that class. If students do not pass this proficiency exam, they are not permitted to continue as a music education major. All music education emphasis students must join the student chapter of the National Association for Music Education (NAfME).

Music Theory Proficiency

The Music Theory Placement Examination is given online to incoming students who are not transferring credit for Music Theory I from another college or university. This examination measures the student's background in music theory and ensures placement at the appropriate level. Students who are not ready for Music Theory I take MUS 120, and upon successful completion of MUS 120, begin the music theory sequence in the next semester. Music theory is taken in sequential order (I, II, III, IV). Before advancing to the next level, a grade of C or better is required. If a C or better is not achieved at any level, the course must be repeated.

Practical Musicianship

Practical musicianship is taken in sequential order (I, II, III, IV). Before advancing to the next level, a grade of C or better is required. If a C or better is not achieved at any level, the course must be repeated.

Piano Proficiency

Each student must register for a piano class or Applied Piano until the Piano Proficiency Examination is passed. Examination fact sheets are available in the School of Music office. Students will not be cleared to graduate until they have passed the proficiency examination, which is usually met at the conclusion of MUS 106.

Grade-Point Average

Music students must maintain a 2.5 GPA for all upper-division music classes (those classified as 300 and 400 level). Students with a cumulative GPA lower than 2.0 or who are on probation are not eligible to participate in a performing group other than Masterworks Chorale.

Music Education Concentration Grade Requirement

Students must earn a grade of C or higher in all of their music education concentration courses. Otherwise, the course(s) must be repeated.

Performance Forum

MUS 210 meets every Monday at 4:20 p.m. and features a variety of presentations including student recitals, guest artists, and lecturers. Music students must be continuously enrolled in Performance Forum for eight semesters. This class is graded pass/fail based on attendance. Students who do not pass the course will be required to take MUS 353 Concert Music to make up the deficiency. Transfer students must enroll in MUS 210 and an approved ensemble every semester in attendance, up to eight semesters.

Recital Performance

Music education majors must present a solo performance annually in either a studio recital or performance forum student recital as well as a senior recital. In the case of a student who is taking instruction in more than one applied area, recital performance is required only in the primary applied area.

All students must take applied jury each semester, unless presenting either a junior or senior recital in that semester.

Music education majors must register for MUS 491 in the semester in which the senior recital will be given. Students giving recitals should follow the guidelines in the Azusa Pacific University School of Music Recital Confirmation Packet (available through the School of Music office).

Applied Music

1. Students must take at least 16 units in one applied area.
2. Students must take at least 1 unit of applied lessons each semester, even if the minimum number of units for their emphasis has been met.
3. All students, in conjunction with the instructor, are responsible for selecting an accompanist for juries by the indicated deadlines. There are three ways to select an accompanist:
 - a. Faculty may request an accompanist with the Accompanist Request Form available in the School of Music office by the indicated deadlines.
 - b. Faculty may request a specific accompanist by submitting an Accompanist Request Form available in the School of Music office by the indicated deadlines.
 - c. If no Accompanist Request Form is submitted, or is requested after the published deadlines, faculty members are responsible to make arrangements for their students.
4. Private lessons:
 - a. Grades for private lessons are issued based on a minimum of 12 lessons per semester. The grade will be lowered if the student attends fewer than the minimum of 12 lessons. Additionally, if the student does not meet the mandatory annual solo performance requirement, an *F* will be assigned for the spring semester applied grade.
 - b. The area director will assign an instructor.
 - c. When the student is ill and notifies the teacher in advance, a makeup lesson will be rescheduled if possible. "No-show" students do not receive makeup lessons.

Voice Class

All music education majors without voice as their major performance area must take one semester of Voice Class or Private Voice.

Ensemble Requirement

In each of eight semesters as music majors, students must participate in an appropriate performance ensemble. The information for the appropriate ensemble for each degree and concentration is clearly articulated in the Undergraduate Music Student Handbook and further communicated through the music student advisement process. Membership in multiple ensembles in a given semester counts as only one semester toward the ensemble requirement. Transfer students must participate in a performance ensemble each semester until they graduate or accumulate eight semesters.
