

BA in Criminal Justice (Bachelor's Completion Program)

Program Learning Outcomes

Program Learning Outcomes

Students who successfully complete this program shall be able to:

1. Demonstrate comprehension of traditional and contemporary criminology theories.
2. Critique how major components of the criminal justice system respond to crime, criminals, and victims from theoretical and practical perspectives.
3. Employ data and methods of social science research to respond to contemporary criminal justice issues.
4. Illustrate ways in which race and ethnicity are linked to differential justice within criminal justice systems.
5. Students will be able to apply relevant Christian principles to the delivery of justice within the Criminal Justice system.
