BA in Criminal Justice (Bachelor's Completion Program)

Program Learning Outcomes

Program Learning Outcomes

Students who successfully complete this program shall be able to:

- 1. Demonstrate comprehension of traditional and contemporary criminology theories.
- 2. Critique how major components of the criminal justice system respond to crime, criminals, and victims from theoretical and practical perspectives.
- 3. Employ data and methods of social science research to respond to contemporary criminal justice issues.
- 4. Illustrate ways in which race and ethnicity are linked to differential justice within criminal justice systems.
- 5. Students will be able to apply relevant Christian principles to the delivery of justice within the Criminal Justice system.
