

# MA in Education: Learning and Technology and Single Subject Teaching Credential

Azusa Pacific University's Master of Arts in Education: Learning and Technology and Single Subject Teaching Credential program (<https://www.apu.edu/education/programs/masters-in-learning-technology-single-subject/>) prepares candidates to earn a Master of Arts in Education: Learning and Technology degree along with an embedded California Single Subject Preliminary Teaching Credential. This program includes comprehensive foundation courses emphasizing teaching and educational methods, as well as specialization courses providing content required for the single subject credential. Practical classroom and fieldwork experiences provide application to theory, preparing candidates to teach in diverse settings. Advanced coursework in the emphasis area of learning and technology provides candidates with the knowledge to effectively design and infuse technology-embedded curriculum into 7-12 grade teaching and learning environments. The mode of delivery includes face-to-face instruction, campus-based classes, distance learning, blended and online courses, and clinical experiences.

Azusa Pacific University's Single Subject Teaching Credential program is approved by the California Commission on Teacher Credentialing (CTC) (<https://www.ctc.ca.gov>) and the Council for the Accreditation of Educator Preparation (CAEP) (<https://caepnet.org>), and includes specific methods courses that are accompanied by practical classroom applications and field experiences in public school assignments.

Upon completion of the requirements listed below and all of the requirements detailed in the Steps to a Credential (<http://catalog.apu.edu/academics/college-education-behavioral-sciences/school-education/teacher-education/steps-to-credential/>), the candidate will have earned a Preliminary Single Subject Teaching Credential and a Master of Arts in Education: Learning and Technology degree.

Note: The preparation for a Preliminary Single Subject Teaching Credential is available in the following subject areas: art, business, English language arts, mathematics, music, physical education, science, social science, and world languages.

## Computer and Software Requirements

Each student must have a Mac or PC laptop or notebook running the latest operating system with a word processing program and a stable internet connection.

<b>Total Units</b> <sup>4</sup>		<b>44-47</b>

- <sup>1</sup> These courses must be completed prior to beginning clinical practice.
- <sup>2</sup> May be taken for credit up to three times as an additional elective as long as topics are not repeated.
- <sup>3</sup> Elective courses can be used toward the master's degree only for individuals needing additional units to complete the degree. Elective courses cannot be used to replace foundation, specialization, or emphasis course requirements.
- <sup>4</sup> This program is designed to be completed with 44 units; the use of elective units to complete the degree may increase the unit total.

**NOTE:** A maximum of 8 units may be taken per 8-week session. Teacher candidates in master's degree programs who have opted to waive some coursework must take additional units to fulfill the unit requirement. Completion of all credential requirements—including all examinations, coursework, and other requirements—must be met before the master's degree will be posted. A Graduation Application (<https://www.apu.edu/student-services/registration/#gradproforms>) must be completed and fees paid by the deadlines set by the registrar.

**NOTE:** Candidates who hold an intern credential must enroll in a candidate support and supervision course (TEP 590) during each 8-week session (fall or spring) in which they are not enrolled in a clinical practice course.

It is the candidate's responsibility to submit a credential application through the Office of Credentials (<https://www.apu.edu/education/resources/credentials/>) upon completion of a credential program to receive his/her California educator credential.

## Admission

University graduate admission and program-specific requirements must be met before an application is complete (see Admission to the University (<http://catalog.apu.edu/admissions/>)). **Program-specific application requirements are available online (<https://www.apu.edu/graduateprofessional/apply/>).**
