

Doctor of Physical Therapy

Program Learning Outcomes

Program Learning Outcomes

Students who successfully complete this program shall be able to:

1. Deliver physical therapy as competent generalists in a variety of community settings to patients of diverse age, gender and cultural backgrounds.
2. Pursue lifelong learning through professional growth and specialization.
3. Incorporate knowledge of the Christian worldview into their understanding of current ethical, legal, and social issues in professional physical therapy practice.
4. Analyze research to solve clinical questions, encourage critical thinking, and promote evidence-based practice.
5. Provide for the medical and spiritual needs of the community as service-oriented practitioners who value human worth and seek to advance total patient care and the optimization of health and function.
