

MSN in Healthcare Administration and Leadership

Program Learning Outcomes

Program Learning Outcomes

Students who successfully complete this program shall be able to:

1. Articulate a Christian worldview, demonstrating respect for the dignity and uniqueness of others, valuing diversity, and applying spiritual concepts.
2. Engage in scholarly inquiry and critical thinking, including evaluation and application of evidence-based research.
3. Appraise and apply knowledge to develop, implement, and evaluate interventions that promote health and prevent disease.
4. Demonstrate thoughtful analysis of the legal, political, ethical, and/or financial factors impacting health care.
5. Use information systems and other technology to communicate, manage knowledge, promote quality, mitigate error, and support decision making.
6. Demonstrate the ability to coordinate and collaborate with other healthcare team professionals.
7. Engage in clinical reasoning and effective communication, and act as a change agent to develop professional identity and practice skill.
