

Post-Master's Certificate in Healthcare Administration and Leadership

The Post-Master's Certificate in Healthcare Administration and Leadership (<https://www.apu.edu/nursing/programs/nursing-administration-certificate/>) program prepares professionals for administrative positions and leadership opportunities in nursing in a variety of healthcare settings. Coursework focuses on strategic leadership, leading change, managing teams and resources, and the business of healthcare finance and patient care delivery. This program is a way for nurses to advance their career options and builds on skills and knowledge obtained in a Master of Science in Nursing program. **Note: Students must be admitted to the university before registering for this program (see Admission section below).**

Requirements
