Family Nurse Practitioner (FNP)

This specialty program (https://www.apu.edu/nursing/programs/msn-np/) prepares students to be nurse practitioners for patients across the human lifespan in a primary healthcare setting. This advanced clinical practice specialty includes direct patient assessment, diagnosis, management, and treatment; client advocacy; and client/family education. Graduates are eligible to apply to the California Board of Registered Nursing (https://www.rn.ca.gov/) for certification as a nurse practitioner and may apply for national FNP certification through examination.
