

# General Education Information for Transfer Students

## IGETC and CSU Breadth Transfer Policies

Full IGETC or CSU Breadth Certification waives the philosophy requirement and all Intellectual and Practical Skills, Knowledge of Human Cultures and the Physical and Natural World, and Personal and Social Responsibility General Education requirements except Writing 3. The Integrative and Applied Learning requirement is not waived. The Biblical, Theological, and Philosophical Formation requirements are not completely waived, but they are reduced based on the total number of units transferred before the first APU semester.

For traditional (Azusa) undergraduate students who transfer in 30+ units, GE 100 is waived. This course is not required for students in professional programs (regional locations or online). For traditional (Azusa) undergraduate students who transfer in 60+ units, the Personal Wellness requirement is also waived. Personal Wellness is not required for students in professional programs (regional locations or online).

The following table defines what General Education elements are still required for students who transfer to Azusa Pacific University, based on the number of units transferred in.
