

Certificate in Government Budgeting

12 units

The Certificate in Government Budgeting is a postbachelor's program that equips working professionals who desire to deepen their expertise in financial management in nonprofit and government organizations. With the help of this program, students can become Certified Government Financial Managers (CGFMs), a respected credential that recognizes the specialized knowledge and experience needed to be an effective government financial manager. Students in this program grow as ethical leaders and financial managers, and have the opportunity to prepare for their CGFM certification, demonstrating competency in governmental accounting, auditing, financial reporting, internal controls, and budgeting at the federal, state, and local levels.
