Additional Requirements

- Candidates must earn a passing score of 150 or greater on the Praxis II (code 5421) exam to demonstrate their competence in school counseling prior to completion of the program.
- All candidates admitted to the Pupil Personnel Services: School Counseling Credential program are required to submit a copy of their California Certificate of Clearance or another form of clearance, such as a valid and current credential for teaching, counseling, school psychology, and/or nursing. The law requires Azusa Pacific University to keep these records on file while candidates are in attendance at APU.

- Candidates must verify successful completion of the California Basic Skills Requirement ([https://www.ctc.ca.gov/credentials/leaflets/basic-skills-requirement-\(cl-667/\)](https://www.ctc.ca.gov/credentials/leaflets/basic-skills-requirement-(cl-667/))) via one of the options approved by the California Commission on Teacher Credentialing (CTC) (<https://www.ctc.ca.gov/>), prior to admission.

Advisory Notes

- The practicum experience included in the educational counseling program is required by the California Commission on Teacher Credentialing (<https://www.ctc.ca.gov/>) and consists of 100 hours completed in a K-12 setting or approved clinical setting. These hours will be verified in the EDCO 575 course, which must be taken prior to fieldwork or internship. This course provides candidates the educational and clinical experience in applied psychotherapeutic techniques, assessment, diagnosis, prognosis, treatment, issues of development, adjustment and maladjustment, health and wellness promotion, and other recognized counseling interventions.
- At some regional campuses, candidates may need to delay enrollment until there is a sufficient number of beginning candidates to provide the appropriate adult learning opportunities. Applicants can obtain detailed information about dates for beginning coursework by requesting an advisement appointment at the Azusa campus or any of the regional campuses.
- Candidates must maintain a minimum cumulative grade-point average (GPA) of 3.0 in their program of study, and receive a grade of *B-* or higher in each course (a grade of *CR* in fieldwork/internship).
- Candidates approaching program completion must obtain a credential application from the Office of Credentials (<https://www.apu.edu/education/resources/credentials/>). An appropriate counseling-related graduate degree from a regionally accredited college or university must be conferred before receiving the credential recommendation.
- Candidates have a maximum of five years to complete all coursework and assessments, including waivers and transfer of units, beginning the first date of enrollment for coursework in the credential program.
