

RN to BSN Integrative Enrollment Pathway

The 40-unit RN to BSN Integrative Enrollment Pathway option allows students to begin RN-BSN program coursework during their first semester of nursing school at an external Associate's Degree in Nursing (ADN) program; this is in contrast to the RN-BSN bachelor's completion program (for students who have graduated from an ADN program) and the Summer Bridge Option (for students enrolled in an ADN program who begin degree completion courses during the summer). Integrative Enrollment students need to be enrolled in an ADN program and must maintain a 3.0 GPA during their combined coursework.

Students apply for the integrative enrollment pathway after they have applied and are formally accepted into a contracted community college ADN program. Once a student is formally admitted to their ADN program, the student may then apply to the integrative enrollment pathway program at APU. For the application, students will need to supply unofficial transcripts, verification of acceptance into their ADN program, personal statement, and student information sharing agreement. Once accepted, a progression schedule is reviewed by the student and the advisors, and courses must be taken in the assigned sequence. Students already enrolled in an ADN program do not qualify for integrative enrollment and should apply for the Bridge to BSN program. Official transcripts are required from all schools attended.

Coursework

Code	Title	Units
Prerequisite Courses ¹		
RN-BSN Integrative Enrollment Pathway		
RNRS 368	Pathophysiology	5
RNRS 321	Health Assessment	5
RNRS 396	Professional Practice: Ethics, Issues, and Spirituality in Health Care ²	6
RNRS 327	Nursing Research and Statistics	4
RNRS 458	Writing 3: Evidence-Based Practice, Theory, and Clinical Pathways ³	5
RNRS 469	Improving Patient Outcomes: Quality, Safety, and Risk Management	5
RNRS 479	Population Health and Public Health Nursing	4
RNRS 480	Community Health and Care Transitions	4
RNRS 482P	Clinical Practicum ⁴	2
Total Units		40

¹ Students need a minimum of 70 units of transfer credits to complete the RN-BSN degree program.

² Meets the General Education Upper-Division Bible requirement.

³ Meets the General Education Writing 3 requirement.

⁴ Meets the General Education Integrative and Applied Learning requirement.
