

Minor in Nutrition (Traditional BSN)

Program Learning Outcomes

Program Learning Outcomes

Students who successfully complete this program shall be able to:

1. Utilize a Christian worldview to integrate beliefs, values, ethics, and service in personal and professional life.
2. Provide nursing care utilizing professional knowledge and core competencies (critical thinking, communication, and technical skills) derived from a foundation of nursing science, general education, and religious studies.
3. Demonstrate initiative for continual personal and professional growth and development.
4. Act as a patient educator and advocate to promote optimal health and well-being.
5. Function independently and collaboratively, both as a leader and/or a member of the health care team, to manage and coordinate care.
