

Student Employment

The Office of Student Employment (<https://www.apu.edu/studentemployment/>) is a referral service for APU students. Student employment is a vital part of college life—it is estimated that nearly 60 percent of all Azusa Pacific students work as a means of partially meeting college costs.

Students may apply to work on or off campus. If eligible, they may obtain work through the Federal Work-Study (<http://catalog.apu.edu/financial/undergraduate/financial-aid/types/federal-aid/>) program. No job is guaranteed; students are responsible for securing their own jobs. Job availability is dependent upon a good match between the employer's needs and the student's schedule and qualifications. Blocks of at least two consecutive hours of available time are usually required.
