

# Application for Graduation

---

Graduation is not automatic upon completion of all coursework in a degree program. Students who intend to graduate must apply for graduation through [home.apu.edu](https://home.apu.edu/) (<https://home.apu.edu/>) at least 120 days prior to degree posting, and pay the current graduation fee. Applying for graduation through [home.apu.edu](https://home.apu.edu/) is mandatory, regardless of whether the student intends to participate in a commencement ceremony. The graduation application due dates and graduation dates are listed in the Academic Calendars (<https://www.apu.edu/calendar/academic/>).

A degree is granted based on the completion of all requirements prior to degree posting dates. This includes verification of maintaining the minimum grade-point average for the degree program.
