

Graduate and Professional Spiritual Life

Azusa Pacific University's graduate, professional undergraduate, and nontraditional undergraduate students are invited to a journey toward growth and wholeness in a way that integrates intellectual and spiritual dimensions in the transformation of the soul.

APU invites graduate, professional undergraduate, and nontraditional undergraduate students to a deeper knowledge of God through Jesus Christ with a commitment to:

1. Make available to every student a personal point of encounter with Jesus Christ and His call to those students.
2. Provide resources that allow students to consider their spiritual journey in an integrated way with their vocational growth.
3. Convey with clarity the Christ-centered nature of the university's approach to education from a Christian perspective, with particular concern for the transformation of the soul.

Graduate, professional undergraduate, and nontraditional undergraduate students can participate through:

- Semimonthly email contact from a pastor
- The Prayer Partners Program (submitting prayer requests)
- Pastoral care

APU brings students to a deeper knowledge of God through Jesus Christ and therefore embraces the diversity of students and faiths in APU's constituency. While maintaining integrity with regard to the university's heritage and calling, campus pastors are equally available to respond to the needs of all students in a grace-filled manner.
